WHO WE ARE

Traverse Bay Manufacturing Inc., a family-owned textile products business, has been in operation serving clients in both Canada and the United States since 1990. After perfecting our own product line we began to manufacture clothing and bags for retailers including L.L. Bean, Land's End, Patagonia and Cabela's. Our client base has recently expanded to include the governmental sector. Over the years we have doubled our production space and added the latest technology from Gerber, a world leader in pattern design and cutting equipment.

Headquartered in Elk Rapids, Michigan, Traverse Bay Manufacturing employs nearly 100 people. We are experienced in handling large production volumes and working with materials including, but not limited to:

- ~ Polartec® (Power Stretch®, Power Dry® and Aqua Shell®)
- ~ Nylon
- ~ Canvas
- ~ Technical fleece
- ~ Stretch fabrics
- ~ Cordura®

OUR STATE-OF-THE-ART CAPABILITIES INCLUDE

- ~ A highly trained staff
- ~ Manufacturing and warehouse space in excess of 100,000 square feet
- ~ Two Gerber GTXL multi-ply cutters
- ~ Three spreading tables totaling 240 feet
- ~ Three Gerber spreaders (two with high-capacity cradles)
- ~ Gerber AccuMark CAD pattern development system
- ~ Over 100 sewing machines, including sergers, flat seamers, single and multi-needle machines and tackers

FROM CONCEPT TO COMPLETION

We work with a variety of clients both directly and on a subcontracting basis and can meet high volume production both accurately and efficiently.

Our product capabilities are virtually limitless. With nearly 25 years of product design and development expertise we can take an idea from concept, design and prototype through manufacturing and distribution.

NEED IT DONE QUICKLY? NO PROBLEM!

We are equipped and experienced in handling large-volume jobs. Our facility is designed for quick line changes and is adaptable to any manufacturing requirement. Our precise attention to detail along with our high-tech equipment mean fast turn around times and consistent high quality. All of our employees, from management to machine operators, are cross-trained which allows greater flexibility and results in less fatigue.

At Traverse Bay Manufacturing, we are very serious about what we do, but more importantly, we pride ourselves on what we do on behalf of our customers.

MEET THE TRAVERSE BAY MANUFACTURING TEAM

Mark Toteff - President, Jo Nauman - Vice President of Operations and Gregory Whiteford - Director of Finance.

A FEW WORDS FROM THE PRESIDENT

"The foundation of a great company is great employees. We take pride in our staff and they in turn take pride in their work. We've found that teamwork is the key to success. The rest just follows naturally."
